

Directions: Vienna Airport to DISCRETE-Venue

Austrian Academy of Sciences, Dr.-Ignaz-Seipel-Platz 2

Typical costs for taxis (cabs) on demand are ≥ 50 €.

Preordered taxis start at 28 € (more typical ~36 €) and a list of providers can be found here: www.flughafentaxi-wien.at (note: most services require 24h/48h notice)

Then we describe the best public transport options. As most hotels from our accommodation list are rather close to the venue, we describe how to get there:

Two train lines connect from the Airport to the Station "Landstraße, Wien Mitte": The City Airport Train (CAT) and the **Schnellbahn S7**.

www.cityairporttrain.com

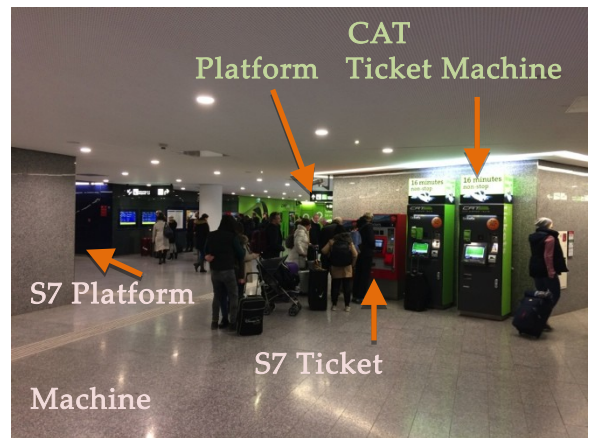

www.schnellbahn-wien.at/web/flughafen_wien-schwechat.html

Turn right, when you enter the arrival area (coming from the baggage claim).

	CAT	S7
ticket price	12 € (return 19 €) city ticket not included	~4 € city ticket included
departure times	xx:09, xx:39 first/last ride 06:09/23:39	xx:18, xx:48 first/last ride 05:18/00:18
duration	16min non stop	25min 8 stations

Follow the descending ramp to the hall with ticket vending machines for both lines. Stairways lead down to the train platforms. The ticket price and departure times are listed in the table above (previous page). Note, that you will need a separate ticket for public transport within Vienna if you use the CAT. If you use the S7, your ticket will be valid for the onward journey within Vienna.

At the station called "Wien Mitte/Landstraße" you can get out of the train and either take public transport to your hotel or your hotel might even be in walking distance from here.
